

Allentown High School Redbird Robotics

Dear Valued Local Business,

As we start up our fundraising efforts for the year, we invite local businesses to partner with us for a successful year. Your support will directly help our team members build, program, and compete.

Our mission is to raise funds to maintain our program. We provide our team members with a positive, hands-on STEM experience that helps them succeed both in and out of the classroom. The funds raised will allow us to purchase essential items such as materials, tools, software, and tournament registration fees.

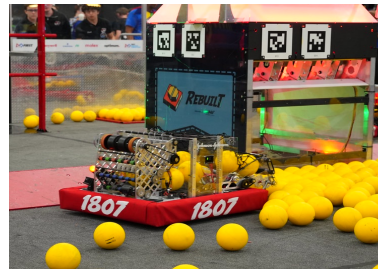

As a sponsor, there are many benefits to reinforce and celebrate your commitment.

We thank you in advance for your consideration in supporting the Redbirds this season. We work hard to represent and honor the supporters that make this happen. We look forward to hearing from you soon!

Sincerely,

FRC 1807 Redbird Robotics
